**Description:** In the summer of 1806, the Lewis and Clark Expedition headed home from the Pacific Ocean. But Meriwether Lewis had not yet accomplished a mission from Thomas Jefferson, which would take him into the heart of Blackfeet country in what is now Montana and force him into the expedition's only life-or-death encounter with a party of Blackfeet Indians. Not only did this chance confrontation put a new perspective on a peaceful expedition, it impacted the fate of the Blackfeet people forever. *A Blackfeet Encounter* uncovers the rich Blackfeet history and culture, traces the aftermath of the expedition's arrival and illustrates the challenges and triumphs of the Blackfeet people today.
